Jim,

I understand Weston is considering your organization for work on the Gold King mine project in Colorado.

Please send me the following so I can have your company added as a subcontractor:

- W9
- Supplier Form (Section 1 only)
- Reps and Certs info. If your company is registered on [www.sam.gov](http://www.sam.gov) you may send your entity report or DUNS # info of returning our form.

I have attached Weston's Terms (Appendix S) and EPA flow downs that would apply to any contract or agreement for your review. If you have any questions let me know.

Thank you,
